Re: October 28, 2008 Colorado Open Records Act Request

Dear Mr. Toro:

This office is in receipt of the Colorado Open Records Act request dated October 28, 2008 requesting the Security Plan for El Paso County in the November 2008 general election.

Documentation relevant to your request has been identified and is available for inspection by you and/or your staff. In response to your letter, the Secretary of State's office has estimated search and retrieval time for your open records request at approximately 2.0 hours for a total fee of \$60.

You are free to make an appointment with us to inspect these records, at which time payment for the search and retrieval fee is due, or we can make them available to you for \$0.25 per page. Please feel free to contact me to arrange a time to review the records.

Sincerely,

Stephanie Cegielski
Legal Specialist
